Muhammad Kamal Uddin is Professor and Chairman in the Department of Psychology at the University of Dhaka, Bangladesh. He received Postdoctoral Award (but did not enjoy) of the European Commission in 2013 positioned at Padova University, Venice, Italy. He earned Ph.D. degree in Psychology from Kyushu University, Fukuoka, Japan in 2006 receiving prestigious Monbuso Scholarship of the Japan Government. Kamal obtained M.Sc. (Thesis) degree with specialization in Clinical Psychology from the University of Dhaka, Bangladesh in 1991. He received B.Sc. (Honors) degree in Psychology from the same university in 1990. Kamal secured First in First Class in both the M.Sc. and B.Sc. Examinations. He was awarded the Professor M. U. Ahmed Gold Medal for his distinction in the M.Sc. Examination. To his credit, Dr. Kamal has 60 research articles including a chapter in the book *Advances in Cognitive Science* published by Sage, India. Dr. Kamal is a regular reviewer and a consulting editor of a number of reputed journals of home and abroad. He has been supervising theses for Doctoral, Masters, and Bachelor Degrees. He has been serving as examiner of PhD theses from foreign universities. He worked as a Consultant Psychologist in projects of several international organizations. Dr. Kamal has constructed and adapted a good number of psychometric questionnaires. Kamal has visited 19 countries and presented his research findings at conferences, seminars, symposiums, workshops, and training held in Greece, Italy, Turkey, Spain, Switzerland, India, China, and Japan. Dr. Kamal chaired scientific sessions of several international conferences. He is member of a host of national and international learned bodies and societies. Dr. Kamal is General Secretary of the Bangladesh Foundation for Human Resource Development and Management. He is the founding President of the Bangladesh School Psychology Society (BSPS). Dr. Kamal is an enlisted lyric writer of Bangladesh Television. Dr. Kamal's lyric-based music albums "Mohua" and "Borsha" are now accessible through the channel "A Mystic Bird" in YouTube. His next album "Brinda" is in progress.

	2006: “Managerial Decision Making” for Senior Administrative Officers of the Delta Life Insurance Company (Limited) at Motijheel, Dhaka
10.	SPECIAL WORK
	2021: July 30 –August 25. Worked as Course Advisor of Online Psychology Teachers Training Program of National University.
	2018: December 14-15. Worked as Program Coordinator of the workshop on “Multidisciplinary Approaches to Rehabilitation” participated and presented by 11 different professionals in Bangladesh.
	2018: November 2-5. Worked as Program Coordinator of the Continuous Professional Development (CPD) training program on “Psychometrics, Statistics, and Research Methodology” for Psychology teachers at different universities in Bangladesh.
	2018: November 2. Worked as Trainer on “Basics of Psychometrics” for Psychology teachers at different universities in Bangladesh.
	2018: July 2-4. Worked as Trainer on “Basics of Psychometrics” for Psychologists at Inter Services Selection Board (ISSB), Dhaka Cantonment, Bangladesh.
	2012: July 11, 16, 18. Worked as a Consultant Psychologist to assess job satisfaction and job involvement of employees of United Power Generation & Distribution Company Limited.
	2011: November 16. Worked as a Consultant Psychologist in a project titled “Sustainable Elimination and Prevention of the Worst Form of Child Labor in Footwear Industry” of People’s Oriented Program Implementation (POPI).
	2009: Worked as a Human Resource Personnel where I prepared and administered a selection test as well as participated in interviewing the applicants for the recruitment of senior administrative officials for Delta Life Insurance Company Limited, Bangladesh
	2008: Worked as a Human Resource Personnel where I prepared and administered a selection test for the recruitment of senior administrative officials for Delta Life Insurance Company Limited, Bangladesh
	2007: November 20, 2007 – Feb 28, 2008. Worked as a Consultant Psychologist with Services and Solutions International (SSI) in ILO projects on “Validation of Actual Effects of Hazardous Child Labor in the Urban Informal Economic Sectors of Bangladesh”
11.	COURSES TEACHING
	Undergraduate Level: Psychological Testing, Introduction to Psychology Graduate level: Research Methods and Statistics, Professional Issues and Etiquette
12.	COURSES TAUGHT
	Undergraduate Level: Research Methodology, Abnormal Psychology, Experimental Psychology, General Psychology, Industrial Psychology, Psychological Statistics, Psychological Testing, Psychobiology & Cognition, Social Psychology, Theories of Learning & Perception Graduate level: Psychoeducational Assessment, Psychoeducational Testing, Introduction to School Psychology Positive Psychology, Psychological Statistics, Advanced Experimental Psychology,

	Physiological Psychology, Perception
13.	RESEARCH ACTIVITY
	Doctoral Dissertation
	Attention and bias in visuomotor localization
	Master's Thesis
	Health and psychological well-being as perceived by the managerial employees under different shift schedules
	Master's Internship
	A 15-day-long internship on Clinical Psychology was done in Psychiatric Ward of the Institute of Postgraduate Medicine and Research (IPGMR). It was resulted in a report which highlighted symptoms, diagnoses, and treatments of mental disorders of the people admitted with. The report also focused on the prevalence of disorders as a function of age, gender, and place of residence
	B. Sc. Honors Thesis
	Political and non-political students as differed by Machiavellianism
	Collaborative, Funded, and Professional
	2018 – 2019: Principal Investigator of the research project titled “Cyber Victimization and Cyber Aggression among High School Children: The Moderating Role of Perceived Parental Acceptance-Rejection” funded by the University Grants Commission of Bangladesh
	2017 – 2018: Principal Investigator of the research project titled “Bicultural Attitudes and Psychological Adjustment of Ethnic-Minority Adults in Bangladesh” funded by the Center for Advanced Studies and Research in Biological Sciences, University of Dhaka, Bangladesh
	2017 – 2018: Principal Investigator of the research project titled “How Valid is the Admission Test Score and Previous GPAs in Predicting First Year Result: The Case of Dhaka University?” funded by the Biotechnology Research Center, University of Dhaka
	2016 – 2019: Principal Investigator of the research project titled “Maternal Cognitive Ability and Neurobehavioral Development of the Preschool Children” funded by the Ministry of Education, Government of the People’s Republic of Bangladesh
	2017 – 2018: Consultant Psychologist for impact evaluation of the project titled “Early Learning for Child Development” funded by the Implementation Monitoring and Evaluation Division of the Ministry of Planning, Government of the People’s Republic of Bangladesh
	2016 – 2017: Principal Investigator of the research project titled “Attachment with Parents and Children’s Well-Being: Resilience and Social Support In-Between “funded by the Center for Advanced Studies and Research in Biological Sciences, University of Dhaka, Bangladesh
	2016 – 2017: Principal Investigator of the research project titled “An Evaluation of the Quality of Multiple Choice Questions on Secondary School Certificate Examination of Education Board, Dhaka” funded by the University Grants Commission of Bangladesh

2016 – 2017: Principal Investigator of the research project titled “Antecedents of the fear of intimacy in adulthood: remembered parental rejection in childhood” funded by the University Grants Commission of Bangladesh					
2015 – 2016: Principal Investigator of the research project titled “Rejection sensitivity mediates the relation between parental rejection and psychological maladjustment of Bangladeshi adults” funded by the Biotechnology Research Center, University of Dhaka					
2014 – 2015: Principal Investigator of the research project titled “Cognitive and contextual factors mediating the relation between interparental conflict and psychological maladjustment of Bangladeshi adolescents” funded by the University Grants Commission of Bangladesh					
2012 – 2013: Principal Investigator of the research project titled “Parental Physical Punishment, Parental Rejection, and Psychological Maladjustment of Children” funded by the Foundation for Research on Education Planning and Development (FREPD)					
2009 – 2010: Principal Investigator of the research project titled “Adapting the Beck Scale for Suicide Ideation” funded by the University Grants Commission of Bangladesh					
2006 – 2007: Principal Investigator of the research project titled “Adapting the Beck Youth Inventories of Emotional and Social Impairment to use in Bangladesh” funded by the University Grants Commission of Bangladesh					
2005 – 2006: Principal Investigator of the research project titled “Investigating parent-child relationship and academic achievement” funded by the University Grants Commission of Bangladesh					
2004 – 2005: Co-Principal Investigator of the international project titled “intimate partner acceptance, parental acceptance in childhood, and psychological adjustment among Japanese adults” funded by the Ronald and Nancy Rohner Center for the Study of Parental Acceptance and Rejection, School of Family Studies, University of Connecticut, USA					
1999 – 2000: Co-Principal Investigator of the project titled “Investigating occupational stress, mental health, and Job involvement of doctors and nurses working under different shift-schedules” funded by the Center for Advanced Studies and Research in Biological Sciences, University of Dhaka, Bangladesh					
Research Supervision & Examination
