### Research Project

---

Youth Perception on Introducing Quit-line Service: A Model for Tobacco Cessation in Bangladesh (Bangladesh Medical Research Council)

*Supervisor*

Assisted a student to design, analysis of the study and manuscript writing.

Inclusive Startup Ecosystem for the Marginalized People in Bangladesh (Ministry of Information, Communication and Technology)

*Principal Investigator*

Generated theme, research design, data collection, data analysis and report writing for the whole research work.

Future of Ethnic Products Development and Marketing Start-ups in Bangladesh (Social Science Research Council, Planning Commission)

*Principal Investigator*

Planned and implemented theme generation, research design, data collection, logistic support, data analysis and report writing for the whole research work.

Effect of Advertisement, Promotion, and Sponsorship on E-cigarette Consumption among the Young Adults in Bangladesh Organization (BCCP-John Hopkins University)

*Principal Investigator*

Generated theme, research design, logistic support, data collection, data analysis and wrote the research report for the entire research work.

Knowledge, Attitude and Practice on Antibiotic Usage: A Case Study on Community Clinics of Meherpur (Wateraid Bangladesh)

*Data analyst and Co-team leader of the 10-member research team.*

Investigated and analyzed primary data from 400 respondents for the study through SPSS.

Just Transition: A Desk Review to Identify the Best Practices (Bangladesh Institute of Labor Studies)

*Co-Investigator*

Collaborated in reviewing and analyzing the secondary materials to generate empirical evidence on Just Transition in Bangladesh.

Citizens' Trust in Bangladesh Police: A Cross-sectional Survey on Urban Population (CRG Grant Dhaka University)

*Co-Investigator and Team leader of 8-member data collection team*

Explored the research design, data collection, logistic support, data analysis and report writing for the whole research work.

Safety Culture at Higher Level Academic Institutions in Bangladesh: A Comparative Study among Students of Universities and Medical Colleges (University of Dhaka)

*Co-Investigator and Team leader of 8-member data collection team*

Discovered the theme and took part in research design, data collection, data analysis and report writing for the entire research work.

Role of Religious Sermon on Preventing Tobacco Usage Among University Students: A Study on Dhaka University (UGC Grant)

*Co-Investigator, Data analyst and Team leader of 8-member data collection team*

Convened the theme generation, research design, data collection, logistic support, data analysis and report writing for the whole research work.

Ensuring Road Safety in Bangladesh: Defies and Directions (BANBEIS)

*Co-Investigator, Data analyst and Team leader of 16-member data collection team*

Involved in Theme generation, research design and data collection.

A Study on Livelihood Pattern and Challenges of Barber Community in Bangladesh (Ministry of Social Welfare)

*Data analyst and Research Associate*

Designed and formatted data processing framework and analyzed primary data from 400 respondents for the study through SPSS.

Assessing functionality of existing multi-hazards risk governance mechanism in terms of facilitating risk- based preparedness and response efforts aligning the Standing Orders on Disaster (SOD)-2019 (American Red Cross)

*Team leader of 8-member data collection team and data analysis*

Procured and analyzed primary data from 250 respondents for the study through SPSS and Atlas.Ti.

---

#### Leadership Experience

---

**Bangladesh National Cadet Corps-** Mohasthan Battalion Rajshahi, Bangladesh  
Cadet Corporal 2013- 2015

- Was the second in command of the New Government Degree College, Rajshahi contingent.

**British Council - Social Action Project** Dhaka, Bangladesh  
Co- leader 2018- 2019

- Promoted Anti-smoking campaign and in six primary schools of Dhaka for raising awareness among adolescence.

---

#### Training and Certificate

---

- **Statistical Package for Social Science (SPSS)** from Faculty of Social Science, DU in 2022
- **Fundamentals of Cyber Security** from Counter Terrorism and Transnational Crime (CTTC) in 2021.
- **Basic Package for R** from Udemty in 2019
- **Teachers Assistant** of Department of Public Administration, University of Dhaka from 2016-2018

---

#### Skills

---

**Technical:** SPSS, R, Zotero, Atlas.ti Microsoft Office, Report Writing, Project Management, Manuscript Development,

**Language:** Fluent Bengali (Mother Tongue) & Fluent English.

---

#### Referee
