XIX. Development Work In Teaching And Learning, Including Evaluation And Inquiry.

I have formulated a *Common Framework for the Syllabi of Bachelor degree program* in Japanese Language and Culture Program, Chinese Language and Culture and French Language and Culture at the IML, University of Dhaka, having been assigned the duties by the academic committee of Institute of Modern Languages at the University of Dhaka in the year 2008. This

framework has provided us a basis for designing syllabi of the exiting Undergraduate Program in Japanese Language and Culture Program, Chinese Language and Culture, and French Language and Culture at the IML, University of Dhaka.

XX. International experience

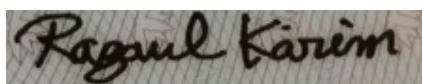

I have gained some experience organizing **symposiums and panels as a part of International congresses and conferences**. The following are examples of organizing such seminars.

- i) I, as a convener, organized and hosted a panel-themed *Migration and Its Linguistic Consequences in South Asia and Its Neighboring Regions* as a part of the *17th World Congress of the International Union of Anthropological and Ethnological Sciences held in Manchester, UK, 05-10 August 2013*. (<http://www.nomadit.co.uk/iaaes/iaaes2013/panels.php5?PanelID=1467>).
- ii) My proposal for the panel titled *Political, Diplomatic and Martial Manifestation Espoused by the Irredentism across Asian Continent* has been accepted as a part of the *26th World Congress of Political Science* held on July 10-14, 2021 at Lisbon in Portugal, the link of which is as follows. <https://wc2021.ipasa.org/my-congress/my-panels>. [I could not attend due to the COVID endemic]
