**MS in Renewable Energy Technology (MRET)**  
**Admission Test, 2022-2023 Session (12th Batch)**

**Admission test result**

In the admission test result, merit positions of the students have been determined based on the total marks out of 100. In case of the students obtaining the same total marks the merit positions have been determined giving priority on the marks of Physics, Mathematics, Chemistry, General Science, respectively.

The applicants with merit positions 1-45, are requested to appear and show all original certificates, mark-sheets and admit card in the Viva Board on 01/02/2024 (Thursday) at 09:00 AM. The Admission Committee will take Viva voce of all the 45 candidates, but only first 40 students will get admission forms. If anyone in the first 40 misses the Viva Voce or does not wish to admit, the candidates in the waiting list (merit positions 41-45) will get chance of admission sequentially.
