

ADMISSION ANNOUNCEMENT Institute of Energy, University of Dhaka MS in Renewable Energy Technology (MRET)

The Institute of Energy (IE) is a pioneer institution in energy education in Bangladesh. IE began its journey as a Renewable Energy Research Centre (RERC) in 1981, to contribute to renewable and sustainable energy research. In 2011, RERC was converted to IE and introduced MS, MPhil and PhD degree programs. Potential candidates are encouraged to apply for admission to the Master of Science in Renewable Energy Technology (MRET) in the academic session 2023-2024 (13th batch).

The MRET is a regular 45-credit program, consisting of 35-credit for theoretical coursework and 10-credit laboratory and research work. It extends over 3 semesters (6 months/semester, total of 1.5 years), 15-week classes per semester and is open for undergraduates against 40 seats. The admitted students will be treated as regular Dhaka University (DU) students except for the residential hall accommodation privilege.

Eligibility of application

- Applicants must have an undergraduate (or equivalent) degree in any of the following-
 - Physics, Applied Physics, Electronics and Communication Engineering
 - Mathematics, Chemistry, Applied Chemistry and Chemical Engineering, Bio-Science
 - Electrical and Electronic Engineering, Electronics and Communications Engineering, Electronics and Telecommunication Engineering
 - Computer Science and Engineering, Nuclear Engineering, Textile Engineering, Civil Engineering, Mechanical Engineering, Mechatronics Engineering
 - Renewable Energy Technology, Energy Technology, Earth, Soil and Environmental Science and Technology, Leather Engineering/Technology, Petroleum Engineering/Technology
 - Geology, Geography, IT, Energy Economics, Disaster Management and other related fields.
- Applicants must have at least a CGPA of 2.50 on a scale of 4.00.
- No third class/division or CGPA below 2.50 in any public examination.
- There is no age limit.
- Anyone who is engaged with a job or other business is not encouraged to apply.
