

Date: 23 February 2025

The Director
Disaster Research Training and Management Centre,
University of Dhaka

Subject: Submission of synopsis for Research Grant

Through: Chairman, Department of Geography and Environment, Dhaka University

Dear Sir,

I am pleased to submit my research proposal for consideration under your esteemed research grant program. My study, titled “Risk and Resilience to Flash Flood of Rural Communities in Sylhet Basin Region” aims to assess healthcare accessibility in the Haor region.

This research seeks to identify gaps in healthcare accessibility in the Haor region by geospatial analysis. The study will assess the distribution of healthcare facilities, highlight disparities in service availability and recommend strategic interventions to enhance accessibility.

I, further declare that this research will comply with all the set rules of Disaster Research Training and Management Centre (DRTMC).

Yours Sincerely,
