Subject: Invitation Applications for Genius Scholarship

Dear Sir,
Assalaamu Alaikum wa Rahmatullaah.

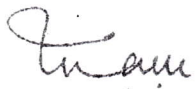

Center for Zakat Management (CZM), as a charity organization, has been implementing several humanitarian programs in different fields including education, income generation and employment, health etc. for the deprived and needy people.

CZM has been executing Genius Scholarship Program to support underprivileged students to continue their academic activities smoothly since 2010. CZM invites applications from the underprivileged (zakat-deserving) first-year students who were admitted in the 2024-25 and 2025-2026 sessions in the public universities and government medical colleges including your esteemed institute. The annual scholarship includes monthly stipends and career-building programs — which will be provided initially for twelve months and it may be extended for next one and half year, subject to satisfactory academic performance. The details of our scholarship program are provided in the attached notice.

It would be highly appreciated if you would kindly consider making the necessary arrangements for circulating it for the students and/or for displaying a copy or more copies of attached notice in your notice-board(s) as well, so that the students can easily get to know the details of our Scholarship Program.

We hope that we will have your cooperation in this regard. If you have any queries, please feel free to contact us at any time.

Sincerely yours,

Mohammad Ayub Miah, PhD
Chief Executive Officer
