

Date: 12 May 2024

SEMINAR

**Title: Optimizing FDG Production and Synthesis
using Cyclone 18/9 MeV IBA Cyclotron for
improved image quality**

Speaker: AFM Masum Rabbani

Post-doctoral Fellow

Department of Biomedical Physics & Technology

University of Dhaka

Date: May 21, 2024 (Tuesday)

Time: 12:00pm

**Venue: Room: R-18, Ground floor, Curzon Hall Building, Dept. of Biomedical
Physics & Technology, University of Dhaka**

You are cordially invited to attend the seminar.

Chairman

Department of Biomedical Physics & Technology
