Subject: Call for Papers: The 6th Annual Paper Meet (APM) on Emerging Engineering Technologies.

Dear Sir/Madam,

The Electrical Engineering Division of The Institute of Engineers, Bangladesh (IEB) is pleased to invite faculty members, researchers, students and professionals from your esteemed institution to submit their original research for the **6th Annual Paper Meet (APM) 2025 of Electrical Engineering Division, IEB.**

This premier event is dedicated to fostering innovation and knowledge exchange among the engineering community. We are seeking high-quality paper submissions on cutting-edge topics, including but not limited to:

- Artificial Intelligence, Robotics & Automation.
- Data Communication Systems & Networking.
- Renewable Energy Technologies & Smart Grids.
- Embedded Systems & the Internet of Things (IoT).
- Computer Hardware & Advanced Electronics.
- Electro-Mechanical Systems & Mechatronics.

The APM provides an exceptional platform for aspiring and established engineers to:

- Showcase their research to peers and industry leaders.
- Engage in discussions on emerging trends and challenges.
- Network with professionals and academics from across the field.

We are confident that participation from your distinguished faculty and talented students or expert professionals will greatly enrich the discourse at this meeting. Detailed submission guidelines, important dates and event information are available in the attached flyer.

For any queries regarding paper submission or the event, please do not hesitate to contact our organizing team:

1. Engr. Umasha Umayun Moni Chowdhury, Secretary, EED (01715531567).

We eagerly anticipate your valuable contributions and look forward to welcoming your representatives at the Annual Paper Meet.

Sincerely,

[Signature] 07.10.25

Prof. Dr. Engr. Md. Sabbir Mostafa Khan
