## **Open Architectural Design Competition**

### **Notice for Open Architectural Design Competition for the Construction of the Main Entrance (Gate) with Front Site Boundary Wall at Dhaka University Club**

Dhaka University Club has taken the initiative to construct a Main Entrance (Gate) with a front site boundary wall at Dhaka University Club. The University of Dhaka is the oldest university in Bangladesh. Dhaka University Club is closely associated with the various achievements of the university and the glorious history of the country's Liberation War. The club is the heart of the university family's history, culture, and entertainment. Its establishment coincided with the academic and administrative journey of the university.

The current club building, with its unique architectural design, holds unmatched prestige. It also carries countless memories of illustrious and legendary Bengali intellectuals who have enriched its history with deep reflection and wisdom, making the club not only a historical monument but also a symbol of pride and distinction. Therefore, beautification must be carried out in harmony with the architectural styles of different buildings and gates across the campus. With this vision, the Dhaka University Club Executive Committee is organizing an open architectural design competition to select the most appropriate design.

A panel of judges will select the best design from the entries. The architect/firm securing the first position in the design competition will be awarded:

**Taka. 90,000.00 (Ninety thousand only)**

#### **Interested Architects/Firms should note the following information:**

1. Competition Brief: Single-stage national anonymous architectural design competition organized by Dhaka University Club.
2. Eligibility: Guidelines of the **Imarat Nirman Bidhimala 2008** must be followed. The architect/firm must provide comprehensive services, including architectural and engineering design, supervision, etc., for the successful completion of the project.
3. Estimated Cost of the Project: The architect/firm must mention the approximate cost of the project.
4. Submission of Technical Documents: Concept design drawings, 3D views, and a model of the gate with the front boundary wall must be submitted.
5. Submission Address: Entries must be submitted via email to [clubdhakauniversity@gmail.com](mailto:clubdhakauniversity@gmail.com) by 20/03/2025 at 12:00 PM at Dhaka University Club, University of Dhaka.
6. For Queries: Please feel free to contact Md. Moin Uddin, Senior Administrative Officer, Dhaka University Club. Mobile: 01717-022261.

With kind regards,

  
24.02.2025

(Prof. Dr. Mohammed Almujaaddade Alfasane)

Secretary

Dhaka University Club
