

Guidelines for Using E-Resources of the Dhaka University Library

Access the Dhaka University Library Website

Visit the official Dhaka University Library website and go to the **Resources** at the menu bar.

Library Website URL:

<https://www.du.ac.bd/offices/LIB>

E-books (Purchased)

Procedure for Accessing E-Books

- 1 Go to the DU Library website and select **Resources** → **E-books**.
- 2 A list of publishers from which the DU Library has purchased e-books will appear.
- 3 Click on the desired publisher's name to access its website.
- 4 Search for e-books using keywords, author names, titles, ISBNs, or other relevant information.
- 5 Access the purchased e-books for online reading and downloading, subject to the publisher's access conditions.

As publishers offer extensive collections of e-books, the Dhaka University Library is unable to purchase every available title. Users can check the subject coverage and list of purchased e-books on the **Dhaka University Library website** under the E-books submenu bar.

E-journals (Subscribed)

Procedure for Accessing E-Journals

- 1 Go to the DU Library website and select **Online Journals** → **List of Publishers**.
- 2 A list of publishers from which the DU Library has subscribed e-journals will appear.
- 3 Click on the desired publisher's name to access its website.
- 4 Search for e-journals using keywords, author names, titles, or other relevant information.
- 5 Access the subscribed e-journals for online reading and downloading, subject to the publisher's access conditions.

Users can check the subject coverage and list of the subscribed e-journals on the Dhaka University Library website under the List of Publishers submenu bar.

For off-campus/remote access :

- ▶ Collect a Remote Access User ID and Password from the Planning and Development Section, DU Library (Room No. 111).
- ▶ Log in to the remote access system using the assigned credentials.
(Remote Access Link: <http://gateway.library.du.ac.bd:2048/login>)
- ▶ Select the required publisher from the list of subscribed and purchased resources.
- ▶ You will be redirected to the publisher's website with authorized access.
- ▶ Search and access available e-books and e-journals using keywords, author names, titles, or other relevant information.

Research4Life

Research4Life is a global partnership that provides universities and research institutions in eligible developing countries with free or low-cost access to a large collection of peer-reviewed journals, e-books, databases, and other scholarly resources. Its five programs cover areas including health, agriculture, environment, science and technology, and law.

Access Procedure for University of Dhaka Users

- ▶ You have to collect Research4Life User ID and Password from the IT Section, DU Library (Room No. 102).
- ▶ Visit the Research4Life portal through the University of Dhaka Library's resources menu.
URL: <https://login.research4life.org/tacgw/login.cshtml>
- ▶ After login, you can search and access the e-resources using keywords, author names, titles, subjects, or other relevant information.

If you experience any problems accessing the e-resources, please contact the IT Section, Dhaka University Library, Room No. 102, or Rubel Mia, Assistant Librarian, using the contact details below:
