Dear Sir/Madam,

I hope this email finds you well.

I am directed to inform you that COMSATS University Islamabad (CUI), a leading institution in Pakistan, is offering **scholarships for MS and PhD programs** to students from **D8 member countries**. This initiative aims to promote academic collaboration and provide opportunities for talented students to pursue higher education at CUI.

Scholarship Details:

- Covers **full tuition fees** for MS and PhD programs
- Available for students from **D8 member states**
- Wide range of disciplines offered

Details of Scholarship (Master and PhD Program)		
One time Admission Fee	450	To be paid by the student
Registration fee	300	To be paid by the student
Lab / Bench fee	300	To be paid by the student
Tuition fee	1,000	Waived
Students will be responsible for arranging their international travel, visa fees, health insurance, living expenses, and other associated costs throughout their studies or stay at COMSATS University Islamabad, Pakistan.		

We invite your esteemed university to share this opportunity with prospective students and encourage them to apply for **Fall 2025 admissions**.

For further details on **eligibility criteria**, **available programs**, and **application procedures**, please visit our official website: <http://ww2.comsats.edu.pk/internationalstudents/>

Should you require any additional information or collaboration, please feel free to contact us. We look forward to fostering academic exchange and strengthening our partnership with D8 universities.

Best regards,
